

REMARKS

Reconsideration and allowance of the subject application in view of the foregoing amendments and the following remarks is respectfully requested.

Claims 1-14 are pending in this application. By this Amendment, claims 1-14 are amended.

Claims 1-14 stand rejected under 35 U.S.C. §102 as being anticipated by Cok et al. (US 6,570,584).

In the Advisory Action of May 18, 2010, the Examiner indicated that amending the claims to read on the sub-pixel arrangement of Fig. 3 would overcome the outstanding rejection.

Applicants appreciate the Examiner's review of Applicants proposed claim amendments presented for interview May 26, 2010. Based upon the proposed claim amendments, and further suggestions provided by the Examiner and the Supervisory Patent Examiner, Applicants amend claims 1-14 and submit that claim 1-14 are allowable over Cok.

Conclusion

All objections and rejections having been addressed, it is respectfully submitted that the present application should be in condition for allowance and a Notice to that effect is earnestly solicited.

The Examiner is invited to telephone the undersigned attorney of record, to facilitate advancement of the present application.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 07-1337 and please credit any excess fees to such deposit account.

Respectfully submitted,

LOWE HAUPTMAN HAM & BERNER, LLP
